

Team SPIRIT Trivia – HOLIDAY BONUS QUESTION

In the United States, community colleges first came about to create a more skilled workforce to deal with challenges of global economic competition. As President Obama challenges America to raise its ranking among educated nations, community colleges still equip tomorrow's workforce to compete in an increasingly global economy.

Q: When was the oldest community college in the United States established?

The first three individuals WHO HAVE NOT ALREADY WON a monthly WW12 competition and send the correct answer to dantesww@navy.mil will be awarded 50-points for their team! All correct answers submitted in 2011, after the first three correct answers, are worth 10 points.

Good Luck – Have fun answering!
